

Welcome to the – Week of KHC – Jungle!

What's that noise, who make that grunt, where is that wind coming from? Why its Daniel and his friends in the lush, leafy Hanging Garden of Babylon. They were taken into Captivity from their home in Jerusalem and now they must try to stay faithful to God in a land they do not know with customs that deny the One True God.

We can't wait for Kids Holiday Club to start this week – the build-up has been huge! The team has been meeting and making props and getting ready for these 3 big days of Bible teaching, singing, delightful small Bible Study groups with the kids and a chance to look at what a life of faithfulness looks like, as we wait for Jesus to return.

Pray – Can you join us in prayer this week as we gather with this great group of kids to share the gospel. Ask God to give the leaders the words to say and the bravery to speak the truth of Jesus. Pray also for our friends and family who we have invited to come along to KHC and pray that they will hear about Jesus and be saved.

Super Sunday is NEXT WEEK, July 20th 2025, and we hope you will join us at the 10am service for our Kids Holiday Club wrap up. All week we invite the kids and their families to come along, and we pray that some will come to church for the very first time. We will also have a sausage sizzle (free), face painting and a jumping castle after the service. If you can help with Super Sunday please reach out to Kat. All are invited to stay for lunch.

Disciple Makers '25

Jesus calls Christians to go and make disciples. Yet while many of us long to see those close to us become followers of Jesus and spend eternity with us in God's Kingdom, we struggle to know how to do this well. We especially feel lacking in the skills and confidence to respond to the difficult questions and objections often raised.

Over 6x 90min sessions, Disciple Makers will help us:

- 1. in our ability to explain why and how Jesus is Good News.*
- 2. to gain confidence in making a response when faced with difficult questions and objections.*

Course begins 2:30pm, August 10
