Mine Disaster Memorial Service

1pm Saturday March 23

Light lunch served from 12:30pm

Here at Bulli Anglican we have the privilege of being the host church for the disaster commemoration service.

On March 23, 1887, 81 men and boys lost their lives when the gases in Bulli mine exploded. 150 Bulli children were suddenly left fatherless and 50 women widowed.

Each year their relatives, descendants and local dignitaries gather with us to remember the dead, learn lessons from their passing, lay wreaths at the memorial, tour the graveyard, visit the Black Diamond Museum & Heritage Centre and seek comfort together in the gospel of our Lord Jesus.

All members of the community are invited to attend and participate in our shared local history under God.

KYCK 2024—April 26-28

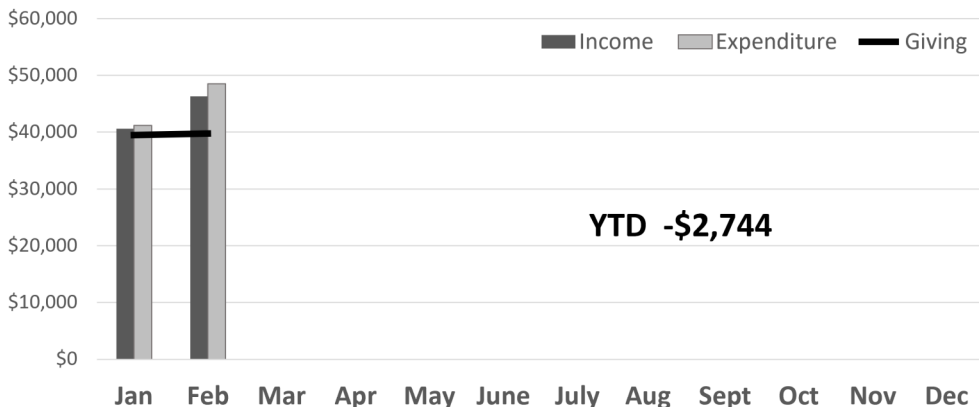

On the last weekend of the school hols our youth are headed to KYCK in Katoomba. This conference is HUGE! Heaps of people, heaps of great bible teaching on Genesis, heaps of discipleship convos, heaps of fun, food and good times! We are staying in 2 houses in Blackheath. The weekend costs \$230 for Youth and \$200 for leaders (all inclusive)

Church - we need your help. KYCK has already had a big increase in the cost per person compared to last year and we have tried to keep costs down as much as we can, but we still have a shortfall of \$750. Would you consider giving a gift to our youth by making a donation to help us cover the shortfall? You might even like to gift a ticket to a youth or leader.

Donations can be made via TryBooking using this QR code or to the church bank account (details back page) the reference 'KYCK donation'. Your help is SUPER appreciated! Other donations of baked goods and bed time stories would be awesome as well, chat to Kat closer to KYCK. Thanks!!
